

VERSATILE PRO

AUTONOMY AND FUNCTIONALITY

The Versatile Pro is perfect for places where there is adequate juice demand and the reliability of a self-sufficient citrus juicer is of utmost importance.

Our Versatile Pro comes with an integrated feeder system which allows users to fill the top basket with citrus, select the working mode, and start juicing – freeing the user to attend to other responsibilities while providing a sleek design. It is also ideal for locations that want to provide a healthy self-service alternative.
